OVERVIEW OF ACTIVITIES
EXECUTIVE SUMMARY

The Board of Directors held one meeting during the fiscal year. The year began July 1, 2015, and ended June 30, 2016. Emphasis was placed on supporting marketing and promotional activities and conducting research to assist in the betterment and development of Nebraska’s grape and wine industry.

Board revenue originates from shipper license fees, crushed grape fees, and grape excise taxes. Revenue from these sources is remitted to the State Treasurer for credit to the Winery and Grape Producers’ Promotional Fund. As in previous years, the revenue over the past several years has enabled the Board to fund several meaningful projects aimed at enhancing the competitiveness of Nebraska’s grape and wine industry. Priority funding was given to marketing and research projects targeted at increasing the sales and production of Nebraska grapes and/or wines. The projects approved for funding totaled $303,053; $280,703.61 of this amount was submitted to the Nebraska Department of Agriculture (NDA) for reimbursement. For a complete list of all projects, and their respective amounts, please refer to the 2015 – 2016 fiscal report found in this report.

The Board released a Request for Proposal (RFP) in February 2016, seeking grant proposals from individual growers, farm wineries, organizations, industry groups, or academic institutions for the 2016 – 2017 fiscal year. The projects approved for funding were decided at the May 17, 2016, Board meeting.

Promotion of Nebraska’s grape and wine industry continues to be a primary goal of the Board. The Board helps the grape and wine industry in becoming a strong and important part of Nebraska’s thriving economy. They stay abreast of recent legislation affecting Nebraska’s grape and wine industry, supports Nebraska Winery and Grape Growers Association (NWGGA) activities, and works closely with the University of Nebraska – Lincoln to receive guidance and education based upon industry research.

This Annual Report includes the Board’s strategic plan, meeting minutes, RFP, 2015 – 2016 fiscal report, contracts, bylaws, statutes, and other documents pertaining to Board matters. Documents and information pertinent to the Board’s functions and history can also be found at http://www.grapeandwineryboard.nebraska.gov.
STRATEGIC PLAN
INTRODUCTION

This Strategic Plan represents the vision and direction of the Nebraska Grape and Winery Board (NGWB). This is an adaptive, non-static document subject to change with new and / or additional input. It is not a standalone document. It is designed to work in conjunction with each year's operational budget and funded projects. The Board believes that strategic planning is not a one-time effort. Once goals are set, commitment will be maintained, progress monitored, and adjustments made until the objectives are reached. This plan demonstrates the commitment which is needed to provide an excellent standard of programs and budget allocations designed to continuously meet the needs of the industry.

MISSION STATEMENT

The NGWB's mission statement is to work collaboratively towards a profitable, sustainable future that advances the interests of Nebraska's grape and wine industry through advocacy and education.

The purpose of the NGWB is to further the growth and economic development of the grape-growing and wine-making industry in the state of Nebraska to a maximum level as supported by the favorable soil and climatic conditions existing in Nebraska and to satisfy the market demand for grapes and wine inside and outside of Nebraska. The end objective is to create an economically viable alternative farm crop and wine industry in Nebraska that will enhance the economic condition of the farm industry and the state of Nebraska.

The duties and responsibilities of the NGWB include, but are not limited to, the following:

a. Establish a public forum whereby any producer of wine, grapes, or other wine-producing agricultural products has the opportunity, at least once annually, to discuss with the Board its policy and procedures;

b. Keep minutes of its meetings and other books and records which will clearly reflect all of the acts and transactions of the Board and to make these records available for examination upon request by members of the public;
c. Authorize and approve the Department of Agriculture's (NDA) expenditure of funds collected pursuant to section 53-304;

d. Serve as an advisory panel to the Nebraska Liquor Control Commission in all matters pertaining to the wine industry; and

e. Adopt and promulgate rules and regulations to carry out sections 53-301 to 53-305.

BOARD GOALS

**Premium Quality Grapes and Wines.** Nebraska’s growing conditions vary greatly from the eastern to the western part of the state, and, to a lesser extent, from north to south. In the east, the elevation is less than 1,000 feet above sea level, annual precipitation may exceed 35 inches and winter lows normally do not exceed -15°F. In the western part of Nebraska, elevations exceed 5,200 feet, annual precipitation can be as low as 12 inches and winter lows may reach -30°F. Soil characteristics vary widely across Nebraska’s topography from sandy soils in the west to loess soils in the east.

Despite these climatic and soil extremes, vineyards across the state are producing premium quality grapes. The hardy grape varietals adaptive to Nebraska’s soils produce grapes that make great wines. This enables Nebraska the advantage to produce unique, handcrafted wines that are site-specific and will help capture compelling market attraction.

**Targeting Varietals in Which Nebraska Exels.** In business, success comes to those who build their reputations on unique products of consistent quality. In the same way, the great wine regions of the world are all associated with particular varieties of wine. Nebraska is no exception and is producing wines that are unlike many others in the world.

Carefully tending to its vineyards and refining its winemaking, the Nebraska wine industry is accomplishing this goal by identifying its strengths and placing its bets on the most popular and successful varieties. These include varieties such as, among the reds, Frontenac, Marechal Foch, and DeChaunac and, among the whites, Brianna, Edelweiss, Lacrosse, and Traminett. The sharing of results and experiences stemming from academic research studies, grape growers, and winemakers, the industry, as a whole, is developing a deeper understanding of the best grown practices and winemaking techniques. This will, in turn, continue the acceleration and demand of Nebraska high-quality wines. By trying new methods, tasting comparable products, and making adjustments, winemakers learn much faster and are able to create a better product than any single winery could do so alone.
Enhancing the Quality of Nebraska Wines. A concerted, focused effort on creating a sustainable grape and wine growing industry in Nebraska is of paramount importance. Quality research and enhancement is one avenue worth pursuing that will help achieve this goal. Measures implemented will be aimed at building a strong, vibrant industry that includes the production of world class wines made from world class grapes. Brand recognition is essential in any consumer business and is a key component within this Strategic Plan. Nebraska wines would be graded against a rating system that is based on industry standards to identify the best wines in Nebraska. Exceptional wines would create awareness of the quality of Nebraska wines with consumers while promoting the best of the Nebraska wine industry. Enhancing the quality of Nebraska wines would spur investment in new vineyards with high quality wine grapes, encourage consumers to try Nebraska wines, and help consumers develop an appreciation for quality wines that are produced on Nebraska soil.

Plant Research. The University of Nebraska – Lincoln’s (UNL) Viticulture Program is an integral part of this industry’s success. They provide science-based research information that assists in the development of the Nebraska grape and wine industry in a sustainable and profitable manner, thus enhancing the economic viability of Nebraska communities and the state’s vibrant and burgeoning agricultural industry. Research studies address several topics pertaining to grape and wine production in Nebraska.

Education. Promoting the creation and discovery of new production practices will aid in this industry’s success. This goal can be achieved by funding various projects and activities through partnership with UNL’s Viticulture Program and the NWGGA. They include, but are not limited, to attendance at educational conferences, funding research projects, disseminating research findings to the public, supporting and partially funding grower field days and conferences, soliciting and funding proposals to enable industry partners to enhance programs and the industry, and serving as an active partner in the Grape and Wine Consortium, which works to develop and organize the annual Nebraska Winery and Grape Growers Forum and Tradeshow.

Encouraging Wine Tourism. Wine is identified with its origins and region. Wine tourism creates lasting memories, customer loyalty, and lifetime fans. These benefits aid in the rapid growth of this industry, making it easy for consumers to access and explore this industry from any of Nebraska’s major state highways.

Increasing the Marketability, Awareness and Accessibility of Nebraska Grapes and Wines. Nebraska wineries can encounter major challenges in terms of distribution and sales. A substantial amount of wine sales are made at the wineries, but there are a growing number of grocery stores and specialty shops that carry Nebraska wines. These stores serve as alternate sales outlets for many wineries, promoting the quality and value of the state’s wine.
The main strategic focus of grape and wine activities will be on enhancing the image of Nebraska wines through praise and acceptance. Developing brand recognition is essential in any consumer business and is also a key component within this Strategic Plan. The wine industry will continue its aggressive participation in key marketing and advertising campaigns. A strong presence domestically is key to becoming a larger global competitor.

Promotion of Nebraska’s grape and wine industry is a primary goal of the Board. The Board helps the grape and wine industry become a strong and important part of Nebraska’s thriving economy. They stay abreast of recent legislation affecting Nebraska’s grape and wine industry, supports Nebraska Winery and Grape Growers’ Association (NWGGA) activities, and works closely with UNL to receive guidance and education based upon industry research.

Increasing the awareness and functionality of the Board is also a goal the Board hopes to achieve. Development of a NGWB web site has helped accomplish this goal. This enables the Board to establish an Internet presence, increase public awareness of Nebraska’s burgeoning grape and wine industry, describe the composition of the Board and its responsibilities, and strengthen Nebraska’s grape and wine industry by providing information relevant to the industry. It enables the Board to further the growth and economic development of the grape-growing and wine-making industry in the state of Nebraska to a maximum level as supported by the favorable soil and climatic conditions existing in Nebraska and to satisfy the market demand for grapes and wine inside and outside of Nebraska.

Creating Partnerships Within the Industry. Today, global success is won, not by firms acting alone, but by partnerships that promote joint planning, information sharing, open communication, and cooperation. A central challenge for the Nebraska wine industry is to continue cooperation and financial support to the NWGGA and UNL’s Viticulture Program, which have both been strong pillars of strength for Nebraska’s grape and wine industry. These partnerships entail balancing individual mandates with the opportunities for promotion and research.

Wineries and growers work together to ensure there are reliable supplies of premium grapes of the right varieties. The involves joint decision-making regarding planting and vineyard management as well as multi-year contracts, the sharing of risks, rewards, and access to capital. Distribution of quality wines is an important challenge and one that needs to be embraced, collectively, by all wineries and growers. This includes finding greater opportunities in marketing and research that will benefit both wineries and growers, big and small.
Maintaining Financial Viability and Revenue of the Grape and Winery Board.
Crushed juice fees, grape excise taxes, and shipper license fees are the three primary sources from which the Board obtains its revenue.

Each Nebraska winery pays the Nebraska Liquor Control Commission twenty dollars for every one hundred sixty gallons of juice produced or received by its facility. Gifts, grants, or bequests may be received for the support of the Nebraska Grape and Winery Board. Funds paid pursuant to the charge imposed by section 53-304 and funds received pursuant to subsection (4) of section 53-123.15 and from gifts, grants, or bequests is remitted to the State Treasurer for credit to the Winery and Grape Producers’ Promotional Fund. For administrative purposes, the fund is located in NDA. All revenue credited to the fund pursuant to the charge imposed by this section and excise taxes collected pursuant to section 2-5603 and any funds received as gifts, grants, or bequests and credited to the fund is used by NDA, at the direction of and in cooperation with the Board, to develop and maintain programs for the research and advancement of the growing, selling, marketing, and promotion of grapes, fruits, berries, honey, and other agricultural products and their byproducts grown and produced in Nebraska for use in the wine industry. Such expenditures may include, but are not limited to, all necessary funding for the employment of experts in the fields of viticulture and enology, as deemed necessary by the Board, and programs aimed at improving the promotion of all varieties of wines, grapes, fruits, berries, honey, and other agricultural products and their byproducts grown and produced in Nebraska for use in the wine industry.

Funds credited to the fund shall be used for no other purposes than those stated in this section and any transfers authorized pursuant to section 2-5604. Any funds not expended during a fiscal year may be maintained in the fund for distribution or expenditure during subsequent fiscal years. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

Legislation approved on May 30, 2007, amended sections 53-123.15 and 53-304 of the Nebraska Revised Statutes and repealed the original sections. The act, relating to alcoholic liquor, changed the provisions relating to shippers' license fees and provided an excise tax on grapes. Within the act, terms were defined, powers and duties were assigned, and a penalty was enacted. Until April 30, 2012, shipping license fees were to be collected by the Nebraska Liquor Control Commission and remitted to the State Treasurer for credit to the Winery and Grape Producers’ Promotional Fund. However, legislation approved on May 18, 2011, amended section 53-123.15, which removed the April 30, 2012, sunset date. Additionally, an excise tax of one cent per pound is levied upon all grapes sold through commercial channels in Nebraska or delivered in
Nebraska. Excise taxes are also remitted to the State Treasurer for credit to the Winery and Grape Producers’ Promotional Fund. The license fees and excise taxes resulted in a substantial increase in Board revenue.

The Board believes it is imperative to fund any additional projects that would be feasible to help further promote and expand Nebraska’s burgeoning grape and wine industry. The Board sends out news releases seeking grant proposals from individual growers, farm wineries, organizations, industry groups or academic institutions that aim to assist in the betterment of Nebraska’s grape and wine industry. Interested parties wishing to receive funds are required to submit detailed proposals to the Board. The proposals are to clearly explain how the money is to be used and how it would enhance the competitiveness of the state’s grape and wine industry. The Board has developed a grant proposal process in order to provide all interested parties with an opportunity to access these funds. Grant proposal guidelines and application information is made available to the public and is available on UNL’s Viticulture Program web site. Information can also be obtained by contacting NDA or the Board Chair. Distribution of the Request for Proposal (RFP) solicits several proposals. Priority funding is given to marketing and research projects targeted at increasing the sale and production of Nebraska grapes and/or wines. Collecting and compiling final reports in a timely manner from Board-funded projects, and evaluating the efficacy of the reports as to how they relate to the Strategic Plan is of paramount importance to the Board.

The responsibilities of the Board have increased largely due in part to the number of projects funded each year. In an effort to enhance the accountability and reporting requirements of Board-funded projects, the Board allocates money to pay the salary of a part-time clerical assistant to assist with Board duties. The Board asks NDA find an individual to fill this position each year. This individual is under the direction of the NDA.

Each year, the Board publishes an annual report, which is available to the public, free of charge. The report primarily includes meeting minutes, news releases, RFP application instructions, annual fiscal report, contracts, bylaws, and statutes.

Interested parties wishing to receive funds must submit a detailed proposal for review and approval by the Nebraska Grape and Winery Board. Proposals must clearly explain how the money will be used, and how it will enhance the competitiveness of Nebraska’s grape and wine industry. This RFP is for the next fiscal year, July 1, 2016 – June 30, 2017. All projects approved must be completed by the end of the next fiscal year.

The Board has developed this grant proposal process in order to provide all interested parties an opportunity to access these funds. The Board’s goal is to fund meaningful projects that will have the highest likelihood of significant, positive impact on the grape and wine production in Nebraska.

Funding Cap

The maximum grant award will be $50,000. The Board reserves the right to consider larger requests for projects with exceptional merit.

Grant Eligibility

Proposals should be initiated by individual growers, farm wineries, organizations, industry groups or academic institutions, or should involve collaboration or partnerships between producers, industry groups, academics, or other organizations. Projects must benefit the entire grape and/or wine industry and not a particular business venture. Applicants may cooperate with any public or private organization involving agricultural development, research, and/or marketing to enhance Nebraska’s grape and wine industry. If two or more individuals or organizations propose a joint project, they may submit one application as co-applicants. Applicants proposing joint projects are not required to form a legal entity but must show in their application how the project potentially impacts and produces measurable outcomes for the grape and wine industry and/or the public. Any and all outcomes and records, resulting from a funded project, must be available for examination upon request by members of
The public. Two – five-year project proposals will be considered, subject to annual review and re-authorization.

Examples of enhancing the competitiveness of Nebraska’s grapes and wines include, but are not limited to: research, promotion, marketing, nutrition, trade enhancement, food safety, food security, education, "buy local" programs, increased consumption, increased innovation, environmental and conservation concerns, improved efficiency and reduced costs of distribution systems, product development, and developing cooperatives.

Program Policies

The Nebraska Grape and Winery Board reserves the right to:
- Reject any or all proposals received;
- Request additional information on project proposals;
- Recommend partial funding for a proposal that may be less than the full amount requested in the grant application;
- Tie the release of project funds to completion of necessary, timely progress reports.

Funding Allocation

Projects funded during this next fiscal year will be valid upon the respective party's signature to an agreement with the Nebraska Department of Agriculture and the party incurring an obligation of funds for the project on or after July 1, 2016, and prior to June 30, 2017. Invoices shall be presented to the Department of Agriculture from which payment shall be made. A final report of the project will be provided to the Board and the Department of Agriculture. There will be no funding match requirement of applicants, although priority may be given to those projects that show in-kind and additional cash commitment to supplement the funding request. Please note that funding for projects are subject to legislative appropriations and funding being available.

Proposals will NOT fund the following expenses:
- Paying off existing debt;
- Purchase of equipment, land, or buildings;
- Business entertainment or business gifts; and
- Lobbying or political efforts.

Grant Proposal Review and Selection

Grant applications will be reviewed and decided upon by the Nebraska Grape and Winery Board with input from related entities. The Nebraska Grape and Winery Board will make the final decision.

Questions and Scoring Criteria

There will be 100 points possible, which is outlined below.

Application Instructions
All applications should include the information listed on pages 4 through 6.

A. Cover Page

1. Name of applicant whose name should be used on all correspondence. Include contact information (address, phone, e-mail, and, if available, fax) for one individual. This person should also be the one who will appear on a grant agreement and who will be responsible for tracking and accounting for project funds and ensuring the completion of the project.

2. Abstract of 200 words or less for the proposed project.

3. Listing of all other individuals, entities, organizations, or businesses involved with the project.

B. Project Purpose (5 points)

In one or two paragraphs, clearly state the specific issue, problem, interest, or need to be addressed. Explain why your project is important and timely. Indicate the amount of time needed to complete the project. The project must benefit the entire grape and/or wine industry and not a particular business venture.

C. Potential Impact (10 points)

In one page or less, discuss the number of people or operations affected, the intended beneficiaries of the project, and/or potential economic impact, if data from the project are available.

D. Goals (5 points)

Describe the overall goal(s) of the project in one or two sentences.

E. Work Plan (45 points)

On three pages or less, describe your proposal and its expected benefit to the Nebraska grape and wine industry. Explain how each goal and measurable outcome will be accomplished. The measurable outcomes must list the elements that will be monitored or evaluated, by whom, how often and for how long. Expected measurable outcomes may be long term and exceed the grant period. If so, provide a time frame when long-term outcome measures will be achieved.

The major considerations here are:

- Does the project benefit the entire grape and/or wine industry and not a particular business venture?
- Can project benefits be measured, reported, and tracked over time?
• Does the project provide an overall economic benefit to Nebraska’s grape and wine industry?
• Does the project make good business sense, and does it have a high likelihood of success?
• Are the expected benefits of the proposal commensurate with total investment?

Other considerations will be given to:

• Does the project contribute to a positive image of Nebraska grape and wine products?
• Does the project provide educational benefits to the public about Nebraska grape and wine products?

F. Project Commitment (10 points)

On one page or less, describe the partnerships, alliances, networks, or other collaborative efforts that will be created to implement this project. List all parties involved and describe what each contributes in skills and abilities to make this proposal succeed and work toward the goals and outcomes, as well as the commitments for each party (in-kind, monetary, labor, etc.).

Major consideration will be given to whether:

• The project involves collaboration and enables the grape and wine industry to achieve collective results that benefit the entire industry, not a particular business venture;
• The applicant demonstrates commitment by way of in-kind time, resources, or other means.

G. Financial Feasibility (25 points)

This question requires a one page or less narrative and a one page or less standard budget outline. How do you intend to use the grant funds? Provide a breakdown of the components of the proposal and where the grant funds fit into the overall project financing. Prioritize funding needs, if possible. Provide budget estimates for the total project cost. List the source and amount of funds to use for the project. This information will provide assurance that you will have sufficient resources to meet project goals. Page 6 provides a budget example from which to refer to and use when creating your budget.

Major consideration will be given to whether:

• The project makes good business sense according to the proposed expenses and activities noted in the budget;
• The budget supports the anticipated benefits and whether the benefits are commensurate with the total project financing;
• The project coordinating entity has a process in place to track and account for grant fund expenditures;
- Budget line item expenses could include costs associated with personnel, travel, equipment, supplies, and/or contracted work; and
- Accounting and project records can be readily retrieved and reported.

Program Goal: The overall goal of the University of Nebraska Viticulture Program (UNVP) is to provide science-based research information that will assist the development of the Nebraska grape and wine industry in a sustainable and profitable manner, thus enhancing the economic viability of Nebraska communities.

Highlights for 2015-2016:

- Over 100 cultivars and selections have been evaluated, leading to recommendations of what to consider growing in specific regions of the state and perhaps more importantly, what not to grow.
- The extremely wet month of May in 2015 exerted extreme disease pressure, especially in eastern Nebraska. As a result, it was possible to categorize genotypes for susceptibility or tolerance to Black Rot and Downy Mildew; data were also acquired that enabled ranking for foliar Phylloxera.
- Canopy and overall vineyard management results have provided growers with insights into choice of trellis system and other management practices.
- New focus areas on vineyard establishment and interactions with water use efficiency and ground covers have been implemented in cooperation with a progressive commercial grower. Preliminary ground cover results are encouraging.
- Vineyard management, including canopy management research results have encouraged Nebraska grape growers to use high cordon or divided canopy systems (HWC, GDC) for several of the most important cultivars, including Frontenac, Edelweiss and Marquette.
- The Northern Grapes Project (NGP) and the NE-1020 Project have begun to yield useful information, although progress with the NE-1020 plantings has been hampered by herbicide drift problems.
- Data have been acquired demonstrating relative susceptibility/tolerance to herbicide drift among cultivars and genotypes.
- Investigations continue with the Frontenac Gris/Frontenac Blanc project and have moved from the microscopy stage to more advanced genetic testing with the hope of identifying the genes responsible for the color variations observed in the Frontenac group of cultivars.
- A major Field Day, an Insect Management Workshop and the 19th Annual Nebraska Winery and Grape Growers Forum and Trade Show were presented by the UNVP (in collaboration with the Nebraska Winery and Grape Growers Association).
Six issues of the Nebraska VineLines (now transmitted electronically) were published, along with several “Breaking News” items and NGP webinars.

Several new growers and wineries were visited by UNVP personnel and potential new growers were advised regarding start-up strategies, including exploration of appropriate markets (wineries).

The UNVP web site has been re-structured, modernized and up-dated. (See http://viticulture.unl.edu)

Norton, Bianca, Petite Pearl, Marquette, Noiret and several numbered UMN selections, including the recently released ‘Itasca’ are being emphasized based upon their demonstrated cold hardiness, disease tolerance, fruit quality and yield.

Growing Degree Days are being evaluated to predict potential harvest timing and other management practices, with preliminary data suggesting timing of sprays and predictions for harvest times.

Ben Loseke (PhD student) received a scholarship from the American Society of Enology and Viticulture and was invited to speak about his research at the ASEV-ES conference in Dunkirk, New York.

Numerous presentations as part of the UNL Speakers Bureau have been employed to tell the Nebraska wine story, along with other radio, newspaper and scientific publications delineating accomplishments resulting from support by the Nebraska Grape and Wine Board.

Disease management and hail prevention technologies practiced in southern Brazil and Mendoza, Argentina were studied in December, 2016; potential applications for Nebraska are being explored.

Three sections of HORT/HRTM/NUTR (“Vines, Wines and You”) were taught, with 146 students completing the course. The Nebraska grape and wine industry are featured in this class.

VitiNord Project Grant Progress Report
The mission of the International Association for Northern Viticulture (IANV; established in 2006) is to promote the advancement of viticulture in northern environments that are characterized by cool or short summer and/or cold winters. The IANV’s conference, VitiNord, is held every three years (2006 in Latvia; 2009 in Quebec; 2012 in Germany/Poland). In 2015 the partnership among the Nebraska Winery and Grape Growers Association, Nebraska Department of Agriculture, Nebraska Tourism Commission and the Nebraska Grape and Winery Board hosted this conference thereby "bringing the world" of viticulture to
Nebraska. Researchers, viticulturists, wine industry supporters from all around the world descended upon Nebraska for four days of sharing best practices to greatly enhance the state of the industry and bring world attention to not only the industry worldwide, but specifically, to the developing prominence and industry leadership emanating from Nebraska.

Two Goals were incorporated into this grant:

**Goal #1:** Hold conference November 11-14, 2015 at Lied Lodge and Conference Center, Nebraska City, NE. This Goal has been completed. The fourth triennial VitiNord Conference was held Wednesday through Saturday, November 11-14, 2016 in Nebraska City. 228 attendees representing 10 countries and 21 states were in attendance:

USDA’s Specialty Crop Block Grant Program

Nebraska has an opportunity to access $620,313.86 in Specialty Crop Block Grant Program funds for fiscal year 2016. NDA received 27 Concept Proposals, which were independently scored by a 6-member review panel. Among the 27 applications, 15 proposals were invited to the second round of our competitive application process, which requires submission of a full grant proposal. Three grape products were among those selected, which includes projects focused on table grape production, ozone application inside a greenhouse/high tunnel environment, and replacing herbicides with groundcover in the vineyard.

The Nebraska Department of Agriculture Director (NDA) is encouraging eligible candidates to submit an application to become a member of the soon-to-be formed Nebraska Craft Brewery Board. The Board was created by statute (LB 1105) recently signed into law by Governor Pete Ricketts. As directed in the statute, the board will consist of seven members to be appointed by the Governor on a nonpartisan basis. At least two board members will be selected by the Governor from a list of no fewer than 10 candidates submitted by the Nebraska Craft Brewers Guild or its successor organization. In addition, at least two board members will be selected by the Governor from a list of no fewer than 10 candidates submitted by the Associated Beverage Distributors of Nebraska or its successor organization. The rest of the board members will be selected from the pool of other candidates submitting applications. Each member will serve for a term of three years and may be reappointed. The law instructs members of the Nebraska Craft Brewery Board to meet within 30 days following the completion of the Governor’s appointments. Representatives from NDA and the Nebraska Tourism Commission will serve as non-voting ex-officio members of the board.

AGREEMENT

BETWEEN THE

NEBRASKA DEPARTMENT OF AGRICULTURE

AND THE

NEBRASKA WINERY AND GRAPE GROWERS ASSOCIATION

#18-13-281

This Agreement is entered into by and between the Nebraska Department of Agriculture, (hereafter “Department”) and the Nebraska Winery and Grape Growers Association, (hereafter “NWGGA”).

PURPOSE:  The purpose of this Agreement is to provide funding, as authorized by the Nebraska Grape and Winery Board, to NWGGA for an Executive Director position to conduct marketing activities to assist in the betterment of Nebraska’s grape and wine industry.

AUTHORITY:  This Agreement is being entered into pursuant to the Nebraska Grape and Winery Board statutes, Neb. Rev. Stat. §53-301 to 53-305 which provides the Winery and Grape Producers Promotional Fund to be used by the Department at the direction of, and in cooperation with, the Board to develop programs that promote the wine industry in Nebraska.

The Nebraska Grape and Winery Board has conducted a public board meeting and directed the Department to provide funds to NWGGA.

THEREFORE, in consideration of the covenants herein contained, it is agreed by and between the parties hereto as follows:

A. DESCRIPTION OF WORK

1. NWGGA agrees to the following:

   a. Fund an Executive Director position, which is designed to increase the competitiveness and sustainability of Nebraska’s grape and wine industry.

   b. Provide a written final report to the Department. The report, which shall describe the results of the project and the use of
funds, will be made public by the Nebraska Grape and Winery Board.

c. Provide services from July 1, 2015, through June 30, 2016.

B. ALLOWABLE COSTS and PAYMENTS

1. The Department shall provide a sum of up to sixty-nine thousand dollars ($69,000) from the Winery and Grape Producers Promotional Fund to NWGGA upon both parties signing this Agreement and NWGGA incurring an obligation;

2. Final NWGGA billing shall be received no later than July 15, 2016;

3. The source of funding for this Agreement is the Winery and Grape Producers Promotional Fund. Payment is contingent upon funding availability;

4. NWGGA specifically agrees that funds provided under this Agreement shall be used only for the project and purpose enumerated herein; and

5. Any funds paid to NWGGA under this Agreement and not fully utilized and earned pursuant to this Agreement during the Agreement period shall be returned to the Department.

C. AGREEMENT PERIOD

The term of this Agreement is from July 1, 2015, to July 15, 2016, unless sooner terminated or completed as provided for in Section D.

D. AGREEMENT PROVISIONS

1. Termination:

   a. The Department may immediately terminate this Agreement, in whole or in part, if NWGGA fails to perform its obligations under this Agreement in a timely and proper manner. The Department may, at its discretion, allow NWGGA to cure a failure or breach within the Department’s specified period of time. Allowing NWGGA time to cure a failure or breach does not waive the Department’s right to immediately terminate this Agreement for the same or different Agreement breach which may occur at a different time. In case of default of the NWGGA, the Department may contract from other sources
and hold the NWGGA responsible for any excess cost occasioned thereby.

b. This Agreement may be terminated, at any time, upon mutual written consent of the parties, or by either party, with or without cause, upon thirty (30) days written notice to the other party. In the event of termination, the Department shall be under no further obligation to the NWGGA, except that the Department agrees to pay the NWGGA for the cost of services satisfactorily provided up to the date of termination, subtracting any additional costs caused by the NWGGA’s termination.

2. Project Completion: The project will be deemed to be complete when to the Department’s satisfaction the NWGGA completely and fully performs as outlined in Section A, or when funding is no longer available, whichever occurs first.

3. Complete Understanding: This Agreement incorporates the complete understanding of the parties. Any modification of the Agreement shall be in writing and executed by each party to be valid.

4. Relationship of Parties: The relationship of the Department and the NWGGA under this Agreement shall be that of principal and independent contractor. It is understood by both the Department and the NWGGA that the NWGGA is not an employee of the Department and that the Department assumes no responsibility beyond those specifically stated in this Agreement.

5. Assignable: This Agreement is not assignable without the express written approval of the Department.

6. Governing Law: This Agreement shall be governed in all respects by the laws and statutes of the State of Nebraska. Any legal proceedings against the Department regarding this Agreement shall be brought in the State of Nebraska administrative or judicial forums as defined by Nebraska State law.

7. Indemnification:

a. General. The NWGGA, to the extent allowable by Nebraska State Law, agrees to defend, indemnify, hold, and save harmless the Department and its employees, volunteers, agents, and its appointed officials (hereafter “the indemnified
parties”) from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses (hereafter “claim”), sustained or asserted against the Department, arising out of, resulting from, or attributable to the willful misconduct, negligence, error, or omission of the NWGGA, its employees, subcontractors, consultants, representatives, and agents, except to the extent such liability is attenuated by any action of the Department which directly and proximately contributed to any claim. The obligation to indemnify shall survive the expiration or termination of this Agreement;

b. Personnel. The NWGGA shall, to the extent allowable by Nebraska State Law, at its expense, indemnify and hold harmless the indemnified parties from and against any claim with respect to withholding taxes, worker's compensation, employee benefits, or any other claim, demand, liability, damage, or loss of any nature relating to any of the personnel provided by the NWGGA.

8. Authority to Enter Agreement: The NWGGA warrants the individual signing this Agreement has the legal power, right, and authority to enter into this Agreement and to bind NWGGA accordingly.

9. Attorney’s Fees: In the event of any litigation, appeal, or other legal action to enforce any provision of this Agreement, the NWGGA agrees to pay all expenses of such action, as permitted by law, including attorney's fees and costs, if the Department is the prevailing party.

10. Severability: If any term or condition of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and conditions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Agreement did not contain the particular provision held to be invalid.

11. Penalty for Breach: In the event that the NWGGA fails to perform any substantial obligation under this Agreement, the Department may withhold all monies due and payable to the NWGGA, without penalty, until such failure is cured or otherwise adjudicated.
E. RECORDS AND WORK PRODUCT PROVISIONS

1. Records Available:  The books of account, files, and other records of the NWGGA which are applicable to this Agreement shall be made available in the State of Nebraska for inspection, review, copying, and audit by the Department and its representatives to determine the proper application and use of all funds paid to and for the account or benefits of the NWGGA.  All records involving transactions related to this Agreement are to be maintained for a period of five (5) years from the date the term of this Agreement begins.  If any litigation or audit is begun, or a claim is instituted involving the Agreement, the NWGGA shall retain the records beyond the five (5) year period until litigation, audit findings, or claim has been fully resolved and the Department has agreed that such records do not need to be retained.

2. Auditing Standard:  The Department, under Auditing Standard A-133, will utilize a risk-based approach to review federal and state contract dollars expended to subrecipients.  This may include the NWGGA providing recent audit reports to evaluate prior audit experiences and audit findings; Department review of subrecipient control environment; the Department requiring additional oversight reports; and the NWGGA providing copies of invoices detailing how the Department funds were expended.

F. COMPLIANCE PROVISIONS

1. Nondiscrimination:

   a. The NWGGA, and any and all subcontractors, shall comply with all applicable local, state, and federal statutes and regulations regarding civil rights laws and equal opportunity employment. The Nebraska Fair Employment Practice Act, Neb. Rev. Stat. §§48-1101 to 48-1125, prohibits contractors of the State of Nebraska, and their subcontractors, from discriminating against any employee or applicant for employment, with respect to hire, tenure, terms, conditions, compensations, or privileges of employment because of race, color, religion, sex, disability, marital status, or national origin. The NWGGA guarantees compliance with the Nebraska Fair Employment Practice Act, and breach of this provision shall be regarded as a material breach of this Agreement. The NWGGA shall insert a similar provision in all subcontracts for
services to be covered by any contract resulting from this Agreement.

b. It is further understood and agreed, that if the NWGGA is in violation of this clause, it shall be immediately barred from receiving further funds, unless a satisfactory showing is made that discriminatory practices have terminated and that a recurrence of such act or action is unlikely.

2. ADA Compliance: All provisions under this Agreement are subject to the Americans with Disabilities Act.

3. Worker’s Compensation: The NWGGA, and any and all subcontractors guarantee payment of compensation to injured workers according to the Nebraska Worker’s Compensation Act which is valid for the life of the Agreement including any extensions of the Agreement.

4. Drug Free: The NWGGA, and any and all subcontractors shall have in force during the Agreement period, and available for inspection, a policy regarding a drug-free workplace. The policy shall contain: A statement notifying employees the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited; the specific actions that will be taken for violating the policy; and a requirement that each employee receive a copy of the policy.

5. Immigration Verification:

a. The NWGGA, and any and all subcontractors shall use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska. A federal immigration verification system means the electronics verification of the work authorization program authorized by the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, 8 U.S.C. 1324a, known as E-Verify Program, or an equivalent federal program designated by the United States Department of Homeland Security or other federal agency authorized to verify the work eligibility status of newly hired employees.

b. If the NWGGA is an individual or sole proprietorship, the NWGGA shall complete the United States Citizenship
Attestation Form available in the DAS website at http://das.nebraska.gov/materia/purchasing.html. If the NWGGA indicates on such attestation form that he or she is a qualified alien, the NWGGA shall provide to the Department the U.S. Citizenship and Immigration Service documentation required to verify the NWGGA's lawful presence in the United States using the Systematic Alien Verification for Entitlements (SAVE) Program. The NWGGA understands and agrees that lawful presence in the United States is required and NWGGA may be disqualified or the Agreement immediately terminated, if such lawful presence cannot be verified as required by Neb. Rev. Stat. §4-108.

6. Early State Agreement Termination or Certification Regarding Debarment: The NWGGA certifies that NWGGA is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency from participating in transactions (debarred). The NWGGA further certifies that NWGGA has not had an agreement with the State of Nebraska terminated early by the State of Nebraska. If the NWGGA has had an agreement terminated early by the State of Nebraska, NWGGA shall provide the agreement number, along with an explanation of why the agreement was terminated early. The NWGGA also agrees to include the requirements of this paragraph in any and all subcontracts into which it enters. The NWGGA shall immediately notify the Department if, during the term of this Agreement, the NWGGA becomes debarred or has an agreement with the State of Nebraska terminated early. The Department may immediately terminate this Agreement by providing the NWGGA written notice if the NWGGA becomes debarred or if NWGGA has an agreement terminated early by the State of Nebraska during the term of this Agreement.

IN WITNESS WHEREOF, the parties executed this Agreement.

3. The source of funding for this Agreement is the Winery and Grape Producers Promotional Fund. Payment is contingent upon funding availability;

4. NWGGA specifically agrees that funds provided under this Agreement shall be used only for the project and purpose enumerated herein; and

5. Any funds paid to NWGGA under this Agreement and not fully utilized and earned pursuant to this Agreement during the Agreement period shall be returned to the Department.

If any litigation or audit is begun, or a claim is instituted

2. Auditing Standard: The Department, under Auditing Standard A-133, will utilize a risk-based approach to review federal and state contract dollars expended to subrecipients. This may include the NWGGA providing recent audit reports to evaluate prior audit experiences and audit findings; Department review of subrecipient control environment; the Department requiring additional oversight reports; and the NWGGA providing copies of invoices detailing how the Department funds were expended.

F. COMPLIANCE PROVISIONS

1. Nondiscrimination:

   a. The NWGGA, and any and all subcontractors, shall comply with all applicable local, state, and federal statutes and regulations regarding civil rights laws and equal opportunity employment. The Nebraska Fair Employment Practice Act, Neb. Rev. The NWGGA guarantees compliance with the Nebraska Fair Employment Practice Act, and breach of this provision shall be regarded as a material breach of this Agreement. The NWGGA shall insert a similar provision in all subcontracts for services to be covered by any contract resulting from this Agreement.

   b. It is further understood and agreed, that if the NWGGA is in violation of this clause, it shall be immediately barred from receiving further funds, unless a satisfactory showing is made that discriminatory practices have terminated and that a recurrence of such act or action is unlikely.

2. ADA Compliance: All provisions under this Agreement are subject to the Americans with Disabilities Act.

The policy shall contain: A statement notifying employees the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited; the specific actions that will be taken for violating the policy; and a requirement that each employee receive a copy of the policy.

5. Immigration Verification:
   a. The NWGGA, and any and all subcontractors shall use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska. If the NWGGA indicates on such attestation form that he or she is a qualified alien, the NWGGA shall provide to the Department the U.S. Citizenship and Immigration Service documentation required to verify the NWGGA’s lawful presence in the United States using the Systematic Alien Verification for Entitlements (SAVE) Program. The NWGGA understands and agrees that lawful presence in the United states is required and NWGGA may be disqualified or the Agreement immediately terminated, if such lawful presence cannot be verified as required by Neb. Rev. Stat. §4-108.
6. Early State Agreement Termination or Certification Regarding
Debarment: The NWGGA certifies that NWGGA is not presently
debarrered, suspended, proposed for debarment, declared ineligible,
or voluntarily excluded by any federal department or agency from
participating in transactions (debarred). The NWGGA further
certifies that NWGGA has not had an agreement with the State of
Nebraska terminated early by the State of Nebraska. If the NWGGA
has had an agreement terminated early by the State of Nebraska,
NWGGA shall provide the agreement number, along with an
explanation of why the agreement was terminated early. The
NWGGA also agrees to include the requirements of this paragraph
in any and all subcontracts into which it enters. The NWGGA shall
immediately notify the Department if, during the term of this
Agreement, the NWGGA becomes debarred or has an agreement
with the State of Nebraska terminated early. The Department may
immediately terminate this Agreement by providing the NWGGA
written notice if the NWGGA becomes debarred or if NWGGA has
an agreement terminated early by the State of Nebraska during the
term of this Agreement.

AND THE

NEBRASKA WINERY AND GRAPE GROWERS ASSOCIATION

#18-13-283

This Agreement is entered into by and between the Nebraska Department of Agriculture, (hereafter "Department") and the Nebraska Winery and Grape Growers Association, (hereafter "NWGGA").

PURPOSE: The purpose of this Agreement is to provide funding, as authorized by the Nebraska Grape and Winery Board, to NWGGA to pay for their membership in Wine America’s State and Regional Associations Advisory Council and expenses associated with the Executive Director for attending the National Wine and Grape Policy Conference and National Wine Marketing Conference.

AUTHORITY: This Agreement is being entered into pursuant to the Nebraska Grape and Winery Board statutes, Neb. Rev. Stat. §§53-301 to 53-305 which provides the Winery and Grape Producers Promotional Fund to be used by the Department at the direction of, and in cooperation with, the Board to develop programs that promote the wine industry in Nebraska.

The Nebraska Grape and Winery Board has conducted a public board meeting and directed the Department to provide funds to NWGGA.

THEREFORE, in consideration of the covenants herein contained, it is agreed by and between the parties hereto as follows:

A. DESCRIPTION OF WORK

1. NWGGA agrees to utilize grant funds to offset the costs associated with the following:

   b. Wine America’s State and Regional Associations Advisory Council membership dues.

   c. Executive Director’s registration and travel expenses to attend the National Wine and Grape Policy Conference. This
conference allows for wine industry leaders from around the country meet to weigh in on the most pressing public policy issues affecting growers and wineries. Wine growing from grape to glass is heavily regulated and this 2½-day conference features speakers, presentations, and insights on the policies affecting the industry.

d. Executive Director’s registration and travel expenses to attend the National Wine Marketing Conference. This is a gathering of winery owners, tourism communities, trade organizations, and governmental wine-support groups who are interested in the growth of the American grape and wine industry.

2. NWGGA will provide a written final report to the Department. The report, which shall describe the results of the project and the use of funds, will be made public by the Nebraska Grape and Winery Board.

3. NWGGA will provide services from July 1, 2015, through June 30, 2016.

B. ALLOWABLE COSTS and PAYMENTS

1. The Department shall provide a sum of up to four thousand five hundred dollars ($4,500) from the Winery and Grape Producers Promotional Fund to NWGGA upon both parties signing this Agreement and NWGGA incurring an obligation;

2. Final NWGGA billing shall be received no later than July 15, 2016;

3. The source of funding for this Agreement is the Winery and Grape Producers Promotional Fund. Payment is contingent upon funding availability;

4. NWGGA specifically agrees that funds provided under this Agreement shall be used only for the project and purpose enumerated herein; and

5. Any funds paid to NWGGA under this Agreement and not fully utilized and earned pursuant to this Agreement during the Agreement period shall be returned to the Department.

C. AGREEMENT PERIOD
The term of this Agreement is from July 1, 2015, to July 15, 2016, unless sooner terminated or completed as provided for in Section D.

D. AGREEMENT PROVISIONS

1. Termination:

   a. The Department may immediately terminate this Agreement, in whole or in part, if NWGGA fails to perform its obligations under this Agreement in a timely and proper manner. The Department may, at its discretion, allow NWGGA to cure a failure or breach within the Department’s specified period of time. Allowing NWGGA time to cure a failure or breach does not waive the Department’s right to immediately terminate this Agreement for the same or different Agreement breach which may occur at a different time. In case of default of the NWGGA, the Department may contract from other sources and hold the NWGGA responsible for any excess cost occasioned thereby.

   b. This Agreement may be terminated, at any time, upon mutual written consent of the parties, or by either party, with or without cause, upon thirty (30) days written notice to the other party. In the event of termination, the Department shall be under no further obligation to the NWGGA, except that the Department agrees to pay the NWGGA for the cost of services satisfactorily provided up to the date of termination, subtracting any additional costs caused by the NWGGA’s termination.

2. Project Completion: The project will be deemed to be complete when to the Department’s satisfaction the NWGGA completely and fully performs as outlined in Section A, or when funding is no longer available, whichever occurs first.

3. Complete Understanding: This Agreement incorporates the complete understanding of the parties. Any modification of the Agreement shall be in writing and executed by each party to be valid.

4. Relationship of Parties: The relationship of the Department and the NWGGA under this Agreement shall be that of principal and independent contractor. It is understood by both the Department and the NWGGA that the NWGGA is not an employee of the Department and that the Department assumes no responsibility beyond those specifically stated in this Agreement.
5. Assignable: This Agreement is not assignable without the express written approval of the Department.

6. Governing Law: This Agreement shall be governed in all respects by the laws and statutes of the State of Nebraska. Any legal proceedings against the Department regarding this Agreement shall be brought in the State of Nebraska administrative or judicial forums as defined by Nebraska State law.

7. Indemnification:
   a. General. The NWGGA, to the extent allowable by Nebraska State Law, agrees to defend, indemnify, hold, and save harmless the Department and its employees, volunteers, agents, and its appointed officials (hereafter “the indemnified parties”) from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses (hereafter “claim”), sustained or asserted against the Department, arising out of, resulting from, or attributable to the willful misconduct, negligence, error, or omission of the NWGGA, its employees, subcontractors, consultants, representatives, and agents, except to the extent such liability is attenuated by any action of the Department which directly and proximately contributed to any claim. The obligation to indemnify shall survive the expiration or termination of this Agreement;

   b. Personnel. The NWGGA shall, to the extent allowable by Nebraska State Law, at its expense, indemnify and hold harmless the indemnified parties from and against any claim with respect to withholding taxes, worker’s compensation, employee benefits, or any other claim, demand, liability, damage, or loss of any nature relating to any of the personnel provided by the NWGGA.

8. Authority to Enter Agreement: The NWGGA warrants the individual signing this Agreement has the legal power, right, and authority to enter into this Agreement and to bind NWGGA accordingly.

9. Attorney’s Fees: In the event of any litigation, appeal, or other legal action to enforce any provision of this Agreement, the NWGGA agrees to pay all expenses of such action, as permitted by law,
including attorney’s fees and costs, if the Department is the prevailing party.

10. Severability: If any term or condition of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and conditions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Agreement did not contain the particular provision held to be invalid.

11. Penalty for Breach: In the event that the NWGGA fails to perform any substantial obligation under this Agreement, the Department may withhold all monies due and payable to the NWGGA, without penalty, until such failure is cured or otherwise adjudicated.

E. RECORDS AND WORK PRODUCT PROVISIONS

1. Records Available: The books of account, files, and other records of the NWGGA which are applicable to this Agreement shall be made available in the State of Nebraska for inspection, review, copying, and audit by the Department and its representatives to determine the proper application and use of all funds paid to and for the account or benefits of the NWGGA. All records involving transactions related to this Agreement are to be maintained for a period of five (5) years from the date the term of this Agreement begins. If any litigation or audit is begun, or a claim is instituted involving the Agreement, the NWGGA shall retain the records beyond the five (5) year period until litigation, audit findings, or claim has been fully resolved and the Department has agreed that such records do not need to be retained.

2. Auditing Standard: The Department, under Auditing Standard A-133, will utilize a risk-based approach to review federal and state contract dollars expended to subrecipients. This may include the NWGGA providing recent audit reports to evaluate prior audit experiences and audit findings; Department review of subrecipient control environment; the Department requiring additional oversight reports; and the NWGGA providing copies of invoices detailing how the Department funds were expended.

F. COMPLIANCE PROVISIONS

1. Nondiscrimination:
a. The NWGGA, and any and all subcontractors, shall comply with all applicable local, state, and federal statutes and regulations regarding civil rights laws and equal opportunity employment. The Nebraska Fair Employment Practice Act, Neb. Rev. Stat. §§48-1101 to 48-1125, prohibits contractors of the State of Nebraska, and their subcontractors, from discriminating against any employee or applicant for employment, with respect to hire, tenure, terms, conditions, compensations, or privileges of employment because of race, color, religion, sex, disability, marital status, or national origin. The NWGGA guarantees compliance with the Nebraska Fair Employment Practice Act, and breach of this provision shall be regarded as a material breach of this Agreement. The NWGGA shall insert a similar provision in all subcontracts for services to be covered by any contract resulting from this Agreement.

b. It is further understood and agreed, that if the NWGGA is in violation of this clause, it shall be immediately barred from receiving further funds, unless a satisfactory showing is made that discriminatory practices have terminated and that a recurrence of such act or action is unlikely.

2. ADA Compliance: All provisions under this Agreement are subject to the Americans with Disabilities Act.

3. Worker’s Compensation: The NWGGA, and any and all subcontractors guarantee payment of compensation to injured workers according to the Nebraska Worker’s Compensation Act which is valid for the life of the Agreement including any extensions of the Agreement.

4. Drug Free: The NWGGA, and any and all subcontractors shall have in force during the Agreement period, and available for inspection, a policy regarding a drug-free workplace. The policy shall contain: A statement notifying employees the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited; the specific actions that will be taken for violating the policy; and a requirement that each employee receive a copy of the policy.

5. Immigration Verification:
a. The NWGGA, and any and all subcontractors shall use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska. A federal immigration verification system means the electronics verification of the work authorization program authorized by the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, 8 U.S.C. 1324a, known as E-Verify Program, or an equivalent federal program designated by the United States Department of Homeland Security or other federal agency authorized to verify the work eligibility status of newly hired employees.

b. If the NWGGA is an individual or sole proprietorship, the NWGGA shall complete the United States Citizenship Attestation Form available in the DAS website at http://das.nebraska.gov/materia/purchasing.html. If the NWGGA indicates on such attestation form that he or she is a qualified alien, the NWGGA shall provide to the Department the U.S. Citizenship and Immigration Service documentation required to verify the NWGGA's lawful presence in the United States using the Systematic Alien Verification for Entitlements (SAVE) Program. The NWGGA understands and agrees that lawful presence in the United States is required and NWGGA may be disqualified or the Agreement immediately terminated, if such lawful presence cannot be verified as required by Neb. Rev. Stat. §4-108.

6. Early State Agreement Termination or Certification Regarding Debarment: The NWGGA certifies that NWGGA is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency from participating in transactions (debarred). The NWGGA further certifies that NWGGA has not had an agreement with the State of Nebraska terminated early by the State of Nebraska. If the NWGGA has had an agreement terminated early by the State of Nebraska, NWGGA shall provide the agreement number, along with an explanation of why the agreement was terminated early. The NWGGA also agrees to include the requirements of this paragraph in any and all subcontracts into which it enters. The NWGGA shall immediately notify the Department if, during the term of this Agreement, the NWGGA becomes debarred or has an agreement with the State of Nebraska terminated early. The Department may immediately terminate this Agreement by providing the NWGGA
written notice if the NWGGA becomes debarred or if NWGGA has an agreement terminated early by the State of Nebraska during the term of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, it is agreed by and between the parties that the Board approves funds to hire an Independent Contractor to perform the work and adhere to the guidelines listed in this Agreement.

TERMS OF AGREEMENT

Subject to the terms and conditions of this Agreement, the Board hereby engages the Independent Contractor to perform the services set forth herein, and the Independent Contractor hereby accepts such engagement.

The Agreement shall be in force and effective from July 1, 2015, to June 30, 2016, with one successive one-year option to renew. This shall include sufficient time to complete the schedule of the work proposed and complete additional tasks as identified by NDA and the Board. This Agreement will incorporate the complete understanding of the parties. Any modification of this Agreement will be in writing and executed by each party of the Agreement to be valid.

NDA and/or the Board may, from time to time, unilaterally increase or decrease the work to be performed. All of the provisions in this Agreement are intended to be complementary in nature, and any requirements mentioned by one and not mentioned in another section shall nevertheless be performed to the same extent as though required by all.

The Board acknowledges that the Independent Contractor’s ability to carry out the work required is heavily dependent upon the Independent Contractor’s past experience in the industry and in providing similar services to others.

INDEPENDENT CONTRACTOR RELATIONSHIP

The relationship of the Independent Contractor and the Board, under this Agreement, shall be that of principal and Independent Contractor. It is understood by both parties that the Independent Contractor is not an employee of the Board, and the Board assumes no responsibility beyond those specifically stated in this Agreement.

The Independent Contractor agrees to perform the work herein solely as an Independent Contractor. The parties to this Agreement recognize that this Agreement does not create any actual or apparent agency, partnership, franchise, or relationship of employer and employee between the parties. The
Independent Contractor is not authorized to enter into or commit the Board to any agreements, and the Independent Contractor shall not represent itself as the agent or legal representative of the Board.

Furthermore, the Independent Contractor shall not be entitled to any remuneration, benefits, or expenses other than those specifically provided for in this Agreement. The Board shall not be liable for taxes, unemployment insurance, employers’ liability, employer’s FICA, social security, health benefits, vacation and sick leave benefits, profit sharing plans, withholding tax, or other taxes or withholdings for the Independent Contractor in performing the work under this Agreement. All such costs shall be the Independent Contractor’s responsibility for the entire duration of the Independent Contractor’s agreement with the Board.

**WARRANTIES AND ASSURANCES**

6. Able to provide independent transportation to all Board meetings and some industry-related events.

7. Equipped with the requisite training, skills, and experience necessary to perform the work described herein.

The Independent Contractor and the Board have the full power and authority to enter into and perform their obligations under this Agreement. This Agreement is
a legal, valid, and binding obligation of the Independent Contractor, enforceable against it in accordance with its terms.

COMPENSATION PACKAGE

In full consideration for the performance of the work hereunder, and for any rights granted or relinquished by the Independent Contractor under this Agreement, compensation shall be set at approximately ten (10) hours per week, with a total value not to exceed five thousand one hundred dollars ($5,100) by June 30, 2016. After the Agreement begins, it is understood that, if additional costs should be incurred or the total yearly value needs to increase, with the mutual written consent of all parties tied to the Agreement and provided resources are available, the Agreement may be amended.

The compensation package for this position will be used to pay for work performed, office supplies, communication equipment, travel costs, and other incidental expenses directly associated with this position.

Payment in the amount of up to five thousand one hundred dollars ($5,100) from the Winery and Grape Producers' Promotional Fund to the Independent Contractor will be payable, in full, by June 30, 2016, upon both parties signature to this Agreement and the Independent Contractor incurring an obligation. On a monthly basis, the Independent Contractor shall present invoices (not to exceed four hundred twenty-five dollars ($425)) and progress reports outlining the Independent Contractor's activities to NDA from which payments shall be made. Funding for this position is subject to legislative appropriations and funding being available. Any unused funds shall be refunded to NDA and credited back to the Winery and Grape Producers' Promotional Fund, unless otherwise agreed. Furthermore, if the Independent Contractor fails to perform as outlined herein, the Independent Contractor shall be required to repay any unearned funds received under this Agreement.

INDEMNIFICATION

The Independent Contractor shall defend, indemnify, hold harmless, and insure the Board from any and all claims and liabilities including costs and legal fees that may arise out of, or on account of, any failure on the part of the Independent Contractor to perform such duties for the Board, as herein specified. This obligation shall survive the expiration or termination of this Agreement.

RECORD KEEPING

The books of account, files, and other records of the Independent Contractor, which are applicable to this Agreement, shall be available for inspection, review,
and audit by NDA and the Board to determine the proper application and use of all funds paid to and for the account or benefit of the Independent Contractor.

The Independent Contractor agrees to maintain all books, documents, papers, or other records involving transactions related to this Agreement for a period of five (5) years. If any litigation or audit is begun or a claim is instituted involving the Agreement, the Independent Contractor shall retain the records beyond the five (5) year period until litigation, audit findings, or any claims have been fully resolved and the Board has agreed that such records no longer need to be retained.

The Independent Contractor specifically agrees that funds given to him or her shall be used only for the projects and purposes enumerated herein, and further acknowledges that expenditures shall not be used for political activity.

**LEGAL COMPLIANCE**

The Independent Contractor shall not:

1. Discriminate against recipients of services on the basis of race, color, religion, national origin, sex, disability, or age; and

2. Discriminate against any employee or applicant for employment on the basis of race, color, religion, national origin, sex, age, or qualified disability.

It is further understood and agreed that, if the Independent Contractor is in violation of this clause, it shall be barred forthwith from receiving further funds, unless a satisfactory showing is made indicating discriminatory practices have terminated and a recurrence of such act or action is unlikely.

All provisions of this Agreement are subject to the Americans with Disabilities Act.

The Independent Contractor is required, and hereby agrees, to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the state of Nebraska. A federal immigration verification system means the electronic verification of the work authorization program authorized by the Illegal Immigration Reform and Immigrant Responsibility Act of 1998, U.S.C. 1324a, known as the E-Verify Program, or an equivalent federal program designated by the United States Department of Homeland Security, or other federal agency authorized to verify the work eligibility status of a newly hired employee.
DRUG-FREE WORKPLACE POLICY

The Independent Contractor agrees to have in force, during the Agreement period, and available for inspection, a policy regarding a drug-free workplace. The policy shall contain:

1. A statement notifying employees that the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited in the Independent Contractor’s workplace;

2. The specific actions that will be taken against employees for violating the policy; and

3. A requirement that each employee shall receive a copy of the policy.

TERMINATION

This Agreement may be terminated prior to the completion or achievement of the work by either of the parties hereto at any time by giving thirty (30) calendar days advance written notice to the other party. Any notices to either party, under this Agreement, shall be in writing and delivered by hand or sent by nationally recognized messenger service, or by registered or certified mail, postage prepaid with return receipt requested, to the address of NDA and the Board Chair.

Upon termination by either party, the Independent Contractor shall provide to NDA any and all copies, in whole or in part, of the work (as they exist) and any and all tangible materials the Board and/or NDA provided to the Independent Contractor in connection with this Agreement.

This Agreement is not assignable without the express written approval of the Board and becomes valid upon the date of the final signature.

   (b) Sell wines produced at the farm winery at retail for consumption on the premises;

   (c) Permit a customer to remove one unsealed bottle of wine for consumption off the premises. The licensee or his or her agent shall (A) securely reseal such bottle and place the bottle in a bag designed so that it is visibly apparent that the resealed bottle of wine has not been opened or tampered with and (B) provide a dated receipt to the customer and attach to such bag a copy of the dated receipt for the resealed bottle of wine.
If the resealed bottle of wine is transported in a motor vehicle, it must be placed in the trunk of the motor vehicle or the area behind the last upright seat of such motor vehicle if the area is not normally occupied by the driver or a passenger and the motor vehicle is not equipped with a trunk;

(d) Ship wines produced at the farm winery by common carrier and sold at retail to recipients in and outside the State of Nebraska, if the output of such farm winery for each calendar year as reported to the commission by December 31 of each year does not exceed thirty thousand gallons. In the event such amount exceeds thirty thousand gallons, the farm winery shall be required to use a licensed wholesaler to distribute its wines for the following calendar year, except that this requirement shall not apply to wines produced and sold onsite at the farm winery pursuant to subdivision (1)(a) of this section;

(e) Allow sampling of the wine at the farm winery and at one branch outlet in the state in reasonable amounts;

(g) Purchase distilled spirits from licensed microdistilleries in Nebraska, in bulk or bottled, made entirely from Nebraska-licensed farm winery wine to be used in the production of fortified wine at the purchasing licensed farm winery.

(2) No farm winery shall manufacture wine in excess of fifty thousand gallons per year.

(3) A holder of a farm winery license may obtain a special designated license pursuant to section 53-124.11.

53-123.12 Farm winery license; application requirements; fees.
Any person desiring to obtain a new license to operate a farm winery shall:

(1) File an application with the commission in triplicate original upon such forms as the commission from time to time prescribes;

(2) Pay the license fee to the commission under subdivision (2) of section 53-124, which fee shall be returned to the applicant if the application is denied; and

The commission shall then notify, by registered or certified mail marked return receipt requested with postage prepaid, the municipal clerk of the city or incorporated village where such license is sought or, if the license is not sought within a city or incorporated village, the county clerk of the county where such license is sought of the receipt of the application and shall enclose with such notice one copy of the application. No such license shall then be issued by the commission until the expiration of at least forty-five days from the date of mailing such application by the commission. Within thirty-five days from the date of receipt of such application from the commission, the local governing bodies of nearby cities or villages or the county may make and submit to the commission recommendations relative to the granting of or refusal to grant such license to the applicant.

53-123.13 Farm winery; waiver of requirement; when; conditions.

(1) If the operator of a farm winery is unable to produce or purchase seventy-five percent of the grapes, fruit, or other suitable agricultural products used in the farm winery from within the state due to natural disaster which causes substantial loss to the Nebraska-grown crop, such operator may petition the commission to waive the seventy-five-percent requirement prescribed in subdivision (31) of section 53-103 for one year.

(2) It shall be within the discretion of the commission to waive the seventy-fivepercent requirement taking into consideration the availability of products used in farm wineries in this area and the ability of such operator to produce wine from products that are abundant within the state.
(3) If the operator of a farm winery is granted a waiver, any product purchased as concentrated juice from grapes or other fruits from outside of Nebraska, when reconstituted from concentrate, may not exceed in total volume along with other products purchased the total percentage allowed by the waiver.

(4) Any product purchased under the waiver or as part of the twenty-five percent of allowable product purchased that is not Nebraska-grown for the production of wine shall not exceed the twenty-five percent volume allowed under state law if made from concentrated grapes or other fruit, when reconstituted. Such fee shall be collected by the commission and be remitted to the State Treasurer for credit to the General Fund.

(3) The commission may issue a shipping license to any person who deals with vintage wines, which shipping license shall allow the licensee to distribute such wines to a licensed wholesaler in the state. For purposes of distributing vintage wines, a licensed shipper must utilize a designated wholesaler if the manufacturer has a designated wholesaler. For purposes
of this section, vintage wine shall mean a wine verified to be ten years of age or older and not available from a primary American source of supply. A person who receives a license pursuant to this subsection shall pay the fee required in sections 53-124 and 53-124.01 for a vintage wine dealer’s shipping license. Such fee shall be collected by the commission and be remitted to the State Treasurer for credit to the General Fund.

(4) The commission may issue a shipping license to any person manufacturer who sells and ships alcoholic liquor from another state directly to a consumer in this state if the manufacturer satisfies the requirements of subsections (7) through (9) of this section. The application shall contain all provisions the commission deems proper and necessary to effectuate the purpose of any section of the act and the rules and regulations of the commission that apply to manufacturers and shall include, but not be limited to, provisions that the applicant, in consideration of the issuance of such shipping license, agrees:

(b) To permit and be subject to all of the powers granted by section 53164.01 to the commission or its duly authorized employees or agents for inspection and examination of the applicant’s premises and records and to pay the actual expenses, excluding salary,
reasonably attributable to such inspections and examinations made by duly authorized employees of the commission if within the United States; and

(c) That if the applicant violates any of the provisions of the application or the license, any section of the act, or any of the rules and regulations of the commission that apply to manufacturers, the commission may revoke or suspend, cancel, or revoke such shipping license for such period of time as it may determine.

(7) The application for a shipping license under subsection (4) or (5) of this section shall be in such form as the commission prescribes. The application shall require an applicant which is a manufacturer, a craft brewery, a craft distillery, or a farm winery to identify the brands of alcoholic liquor that the applicant is requesting the authority to ship either into or within Nebraska. For all applicants, unless otherwise provided in this section, the application shall contain all provisions the commission deems proper and necessary to effectuate the purpose of any section of the act and the rules and regulations of the commission that apply to manufacturers or retailers and shall include, but not be limited to, provisions that the applicant, in consideration of the issuance of such shipping license, agrees:

(a) To comply with and be bound by sections 53-162 and 53-164.01 in making and filing reports, paying taxes, penalties, and interest, and keeping records;

(b) To permit and be subject to all of the powers granted by section 53164.01 to the commission or its duly authorized employees or agents for inspection and examination of the applicant’s premises and records and to pay the actual expenses, excluding salary, reasonably attributable to such inspections and examinations made by duly authorized employees of the commission if within the United States;

(c) That if the applicant violates any of the provisions of the application or the license, any section of the act, or any of the rules and regulations of the commission that apply to manufacturers or retailers, the commission may suspend, cancel, or revoke such shipping license for such period of time as it may determine;

(d) That the applicant agrees to notify the commission of any violations in the
state in which he or she is domiciled and any violations of the direct shipping laws of any other states. Failure to notify the commission within thirty days after such a violation may result in a hearing before the commission pursuant to which the license may be suspended, canceled, or revoked; and

(e) That the applicant, if a manufacturer, craft brewery, craft distillery, or farm winery, agrees to notify any wholesaler licensed in Nebraska that has been authorized to distribute such brands that the application has been filed for a shipping license. The notice shall be in writing and in a form prescribed by the commission. The commission may adopt and promulgate rules and regulations as it reasonably deems necessary to implement this subdivision, including rules and regulations that permit the holder of a shipping license under this subdivision to amend the shipping license by, among other things, adding or deleting any brands of alcoholic liquor identified in the shipping license.

(8) Any manufacturer or retailer who is granted a shipping license under subsection (4) or (5) of this section shall:

(a) Only ship the brands of alcoholic liquor identified on the application;

(b) Only ship alcoholic liquor that is owned by the holder of the shipping license;

(c) Only ship alcoholic liquor that is properly registered with the Alcohol and Tobacco Tax and Trade Bureau of the United States Department of the Treasury;

(d) Not ship any alcoholic liquor products that the manufacturers or wholesalers licensed in Nebraska have voluntarily agreed not to bring into Nebraska at the request of the commission;

(e) Not ship more than nine liters of alcoholic liquor per month to any person in Nebraska to whom alcoholic beverages may be lawfully sold. All such sales and shipments shall be for personal consumption only and not for resale; and

(f) Cause the direct shipment of alcoholic liquor to be by approved common carrier only. The commission shall adopt and promulgate rules and regulations pursuant to which common carriers may apply for approval to provide common carriage of alcoholic liquor shipped
by a holder of a shipping license issued pursuant to subsection (4) or (5) of this section. The rules and regulations shall include provisions that require (i) the recipient to demonstrate, upon delivery, that he or she is at least twentyone years of age, (ii) the recipient to sign an electronic or paper form or other acknowledgement of receipt as approved by the commission, and (iii) the commission-approved common carrier to submit to the commission such information as the commission may prescribe. The commission-approved common carrier shall refuse delivery when the proposed recipient appears to be under the age of twenty-one years and refuses to present valid identification. All holders of shipping licenses shipping alcoholic liquor pursuant to this subdivision shall affix a conspicuous notice in sixteen-point type or larger to the outside of each package of alcoholic liquor shipped within or into the State of Nebraska, in a conspicuous location, stating: CONTAINS ALCOHOLIC BEVERAGES; SIGNATURE OF PERSON AT LEAST 21 YEARS OF AGE REQUIRED FOR DELIVERY. Any delivery of alcoholic beverages to a minor by a common carrier shall constitute a violation by the common carrier. The common carrier and the holder of the shipping license shall be liable only for their independent acts.

(9) For purposes of sections 53-160, 77-2703, and 77-27,142, each shipment of alcoholic liquor by the holder of a shipping license under subsection (3), (4), or (5) of this section shall constitute a sale in Nebraska by establishing a nexus in the state. The holder of the shipping license shall collect all the taxes due to the State of Nebraska and any political subdivision and remit any excise taxes monthly to the commission and any sales taxes to the Department of Revenue.

(10) By July 1, 2014, the commission shall report to the General Affairs Committee of the Legislature the number of shipping licenses issued for license years 2013-14 and 2014-15. The report shall be made electronically.
